It is an alone to some power of sale cont

PROGRAM CONTINUED FOR BLOWOUT PROTECTION? LOW wheels, larger tires, and the high speeds of today make greatest blowout protection?

Thirty-three race drivers and their mechanics lined up for the dangerous, gruelling grind of the 500-Mile Race at the Indianspolis Speedway May 30th. Firestone Tires were purchased and used on every one of the thirty-three cars. Not one of the drivers had tire trouble Gum-Dipping is one of the outstanding reasons why Firestone Tires give such amazing performance. By this process every cotton cord is soaked and every strand is insulated with pure liquid rubber,

WILL YOU TAKE

preventing internal friction and heat, the main cause of blowouts. Gum-Dipping is a patented extra process not used in any other make Protect your life and the lives of others by equipping your car with Firestone Gum-Dipped High Speed Tires-the safest tires built.

It will be worth your time to read these three questions and

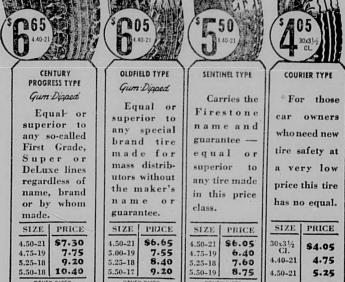

QUESTION 1—"Will the tread give me the greatest traction and protection against skidding?" ANSWER-Leading university tests show Firestone High Speed Tires

stop your car 15% quicker than the best of other popular makes of tires. QUESTION 2-"Are they built to give me the greatest blowout protection?" ANSWER-Unequaled performance records for sixteen consecutive years prove that Gum-Dipping gives you the greatest blowout

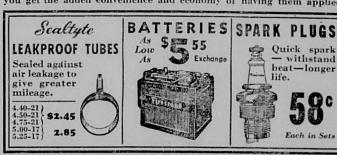

QUESTION 3—"Without sacrificing these two important safety features will they give me longer mileage, thus making them the most economical tires I can buy?" ANSWER-Thousands of car owners report unequaled mileage records-evidence of the longer wear and greater economy of

The day's festivities to close with a grand royal ball at night.

MERIDIAN, Miss., June 10.—
With 139 hours in the air at 7 a.m. today, Al and Fred Keys, brothers of Meridian, approached the end of their first week aloft with motors humming merrily and the plane, "Ole Miss," in good shape.

The brothers returned to their 4,000 feet altitude today after flying to a record breaking crowd yesterday. One party made a special trip from Kentucky to see the fliers. Other states were represented in the large crowd at the Masonic officers; old-time fiddlers
